

ChatGPT Practical Questions and Answers

1. Drafting a Professional Email

Question

Write a professional email to your manager requesting one day's sick leave.

Prompt

Write a professional email requesting one day's sick leave. Keep the tone polite and formal.

Answer

Subject: Request for One Day Sick Leave

Dear Manager,

I hope you are doing well. I am feeling unwell today and have been advised to take rest. Therefore, I kindly request one day's sick leave for tomorrow.

I will ensure that any pending work is completed as soon as I return. Thank you for your understanding and consideration.

Kind regards,

[Your Name]
